

Merry Christmas

Dear Friends and Family,

The members of the Nazareth Community of the Institute of Saint Joseph would like to send you a sincere thank you for all your prayers and continued support throughout this last year.

The Extraordinary Form of the Latin Mass continues to draw people from all over. Though the travel time is significant for many who come, they continue to make this sacrifice to participate in our Liturgy and support our little sapling of a community. It is heart warming to see their smiling faces each week and we miss them when weather makes travel prohibitive.

Through the generous help of so many we have been able to gut the rectory this year; put in an air conditioning unit for the lower priory and the beginnings of the heating system for the living and work areas of the upper priory.

Many ask, "When are you moving?" We are moving, just slowly. God works in mysterious ways and we cannot always understand them and yet for all that we do continue to move forward toward Him who is our Hope. God does not want us to do this alone, He wants you to help fulfill His Will of making Cor Jesu a reality. Continue to keep us in your prayers.

Be assured of our daily prayers, but especially at this time of year, when we commemorate the Divine Gift of Jesus Christ. ***We offer a Novena to the Child Jesus from December 24– January 1, for your personal intentions.***

God Bless All of You This Christmas Season,

The Institute of St. Joseph

As the year comes to a close I would like to help the Institute of Saint Joseph build Cor Jesu Oratory and Priory in thanksgiving for all the graces I have received this year through the intercession of St. Joseph.
